Chief, General Procurement Section, PD/CL

SUBJECT: Rental 5

1. It is expected that most, if not all, of the equipment covered by Systems 1410-1 and 1410-2 will be released before the end of FY 71. It does not seem advisable to purchase this equipment at this time.

2. The system 360/50-1 will have a large number of the components replaced during FY 71 and it does not seem advisable to purchase any of these. The main frame (2050) and the console type writer (1052-7) are purchased items.
